

Sixth Grade Newsletter

Religion

Ms. Piovane

We begin Chapter 5 the students learned about the patriarchs , our ancestors in faith. In this chapter the students will learn about the

Grammar/ Writing

Mrs. Schoening

We finish up the unit on pronouns this week and will continue reviewing the vocabulary we have learned so far. Units 4-6 will be on the quiz Friday.

Literature

Mrs. Schoening

It's all about the instructions during our game presentations this week. We wrap up our How-To unit with the games the students present and play. We are also reading The Giver in class.

Math

Mr. Zepnikowski

Math 6 will, continue to explore multiplication. We will learn what exponents are and how to use them. We will also learn how to write multiplication expressions.

In Pre-Algebra 6, we will learn about equations and how to solve them. We will learn how to solve basic one step equations.

Music

Mrs. Smith (Mrs. Dufield-substitute)

Students will learn proper breathing techniques in singing. They will sing in groups and learn about how to make simple harmonies with singing in a round.

Science

Mrs. Rovenolt

The First Quarter Project Space Travel Brochure project will progress. The facts will migrate from document to brochure, pictures will be added and their packing list created.

Spanish

Mrs. Bonilla

We will continue working on days of the week and months of the year to ask questions related to the topic. Also we will practice oral everyday greetings.

STREAM: Science Technology Religion Engineering Art Math

Mr. Baker, Mrs. Rovenolt, Mr. Zepnikowski

Sophisticated google document editing techniques will be used to complete their First Quarter projects. They will advance their copy and paste, edit and formatting skills. This week we will introduce team card games.

Social Studies

Mrs. Whitemore

We will begin exploring Ancient Egypt. Students will be asked to evaluate the importance of the Nile River to the development of Egyptian civilization. We will end this week with a mummification activity.

P.E. / Health

Ms. Piovane

We participate in cooperative games. We will focus on teamwork, sportsmanship and skill refining activities. In Health we continue to investigate "Stress" utilizing LifeDojo. Please ask your student to share this exciting app with you.

Art

Ms. Hudson

Students will create an image using the element of Art 'line' to create an optical illusion around their name.
