

## Sixth Grade Newsletter

### Religion

#### Ms. Piovane

We continue Chapter 10: "A Conquering People". In this chapter the students will learn about the conquest of Canaan.

---

### Grammar/ Writing

#### Mrs. Schoening

We continue working on adjectives this week and will take a root word vocabulary quiz on Thursday. We are also looking at how description creates images for your readers and the importance of word choice.

---

### Literature

#### Mrs. Schoening

We continue reading *The Giver* and will continue working on a novel packet exploring different important societal topics found in the story.

---

### Math

#### Mr. Zepnikowski

Math 6 will finish up division this week and learn how to write division expressions. We will review at the end of the week for the upcoming unit test.

In Pre-Algebra 6, we will finish our study of inequalities this week. We will compare the ways to solve inequalities. We will continue with our inequalities document.

---

### Music

#### Mrs. Smith (Mrs. Dufield-substitute)

Students will have no class due to parent/teacher/student conferences this week.

---

### Science

#### Mrs. Rovenolt

They will finish their Solar System with a Unit test. Then start on our weather unit by examining the layers of the atmosphere. They will be able to explain the difference between climate and weather.

---

### Spanish

#### Mrs. Bonilla

We will explore the web sites searched by the students to practice what they have learned. We will recognize the Spanish alphabet sounds.

---

### STREAM: Science Technology Religion Engineering Art Math

#### Mr. Baker, Mrs. Rovenolt, Mr. Zepnikowski

We have fine tuned our rocket making procedures. They will build foam pipe insulation rockets. They will use their cutting and measuring skills.

---

### Social Studies

#### Mrs. Whitmore

This week we will focus on important kings and pharaohs of ancient Egypt. We will conduct a mock interview analyzing their reign and beliefs.

---

### P.E. / Health

#### Ms. Piovane

In Health we begin our exploration of the Skeletal System. In P.E. we focus on circuit training increasing our flexibility, stamina and strength.

---

### Art

#### Ms. Hudson

Students will complete watercolor assignments. Those who have met criteria may use this class as a reward and free draw!
