

Sixth Grade Newsletter

Religion

Ms. Piovane

We continue Chapter 3: "People Turn From God." In Chapter 2 the students learned that God is the source of all life and that we are made in his image and likeness. In this chapter they will learn that through humanity sin entered the world.

Grammar/ Writing

Mrs. Schoening

This week we will review prepositions and diagram for clarification. The oral narrative presentations will be completed this week focusing on how do we know and influence our audience.

Literature

Mrs. Schoening

The class will finish reading *Lost on a Mountain in Maine*. We will create a cartoon using bitstrip to demonstrate understanding of the story and first person narration. There will be a test on the narrative unit Monday Sept. 15.

Math

Mr. Zepnikowski

Math 6 will use their knowledge of central tendency to aid in making and interpreting graphs. Graphs will be made by hand and on the computer.

In Pre-Algebra 6, we will introduce integers. We will learn what the absolute value of these numbers are. We will also begin to perform operations with integers.

Music

Mrs. Smith

Students will identify the form of the song being used for the PCRS music video and begin reconstructing the lyrics.

Scantron Performance testing this week.

Science

Mrs. Rovenolt

They will take the Unit Test on the Rock Cycle. We will start our Unit on the Organization of the Solar System and the relationships among the various bodies that comprise it.

Spanish

Mrs. Bonilla

We will continue working on numbers from 1-50. We introduce the Spanish alphabet and the Spanish vowels.

STREAM: Science Technology Religion Engineering Art Math

Mr. Baker, Mrs. Rovenolt, Mr. Zepnikowski

The students have picked a career, a place to live, and a car so now they will be introduced to interest and taxes to round out the budget process.

World History

Mrs. Whitemore

After learning about the Neolithic Revolution in the early part of the week, students will participate in review stations in preparation for their test on Thursday.

P.E. / Health

Ms. Piovane

In Health we continue to investigate "Stress" utilizing LifeDojo. Please ask your student to share this exciting app with you. We explore our fitness goals and participate in physical fitness testing.

Art

Ms. Hudson

After a great discussion about how to draw faces, this week we'll finish drawing our self-portraits and begin adding color by starting with painting the face.
