

Seventh Grade Newsletter

Religion

Ms. Piovane

We begin Chapter 11: "Jesus, the Bread of Life." In this chapter the students will learn that Jesus, the Bread of Life, is always present with his disciples. We continue our presentation of the Saint's projects.

Literature

Mrs. Schoening

We will complete the How-To unit this week and begin a Description unit. The seventh grade will look at text structure and start a new novel.

Math

Mr. Zepnikowski

In Algebra, we have learned two of the three ways to graph equations. This week we will learn the third way to graph equations and how to convert from one to another.

In Pre-Algebra, we will continue our study of linear inequalities. We will solve two step and multi step inequalities. We will compare the graphs of the inequalities.

Music

Mrs. Smith (Mrs. Dufield-substitute)

Students will begin working on the Christmas program music.

Grammar/ Writing

Mrs. Schoening

The class moves along with root words anti (against) and tri (three). We continue diagramming sentences and begin studying verbals.

Art

Ms. Hudson

Students will continue working on their three-dimensional name sculpture. **Reminder - all Original Works orders are due back by Friday!**

Science

Mrs. Rovenolt

They created a new planet named Aquaterra with 4 distinct habitats. They will adapt an organism for their habitat. This cooperative activity models natural selection. They will also have their first measuring activity which simulates populations.

Spanish

Mrs. Bonilla

This week, we will begin working on chapter 2. Students will tell orally and in a written form their class schedule.

STREAM: Science Technology Religion Engineering Art Math

Mr. Baker, Mrs. Rovenolt

Students in the video game programming group are quest solving professionals. Every quest unlocks a game building element. Lego robot should finish this week. Students should be ready for their first competition.

United States History

Mrs. Whitemore

We will work in centers to analyze arguments for and against the Suffrage Movement.

P.E. / Health

Ms. Patty Piovane

In Health we begin our exploration of the Skeletal System. In P.E. we focus on circuit training increasing our flexibility, stamina and strength.
