

Seventh Grade Newsletter

Religion

Ms. Piovane Students will participate in Unit 2 Assessment. We will review the Liturgical Year and the parts of the Mass.

Literature

Mrs. Schoening

We continue descriptions with the use of figurative language and will learn the different types of conflict found in stories. The seventh grade will learn the difference between denotation and connotation. We continue reading *Ender's Game*.

Math

Mr. Zepnikowski

In Algebra, we will begin to solve equations that contain two variables. We will look at three different ways to solve these: graphing, substitution, and elimination.

In Pre-Algebra, we will learn about different angles and which types of angles are congruent. We will then focus on shapes and the different types of shapes.

Music

Mrs. Smith (Mrs. Dufield-substitute)

Students will begin working on the Christmas program music.

Grammar/ Writing

Mrs. Schoening

The class will review the root words anti (against) and tri (three) for a quiz on Monday 11/24. We continue diagramming sentences and studying verbals.

Art

Ms. Hudson

Students will continue working on their three-dimensional name sculpture by completing the assembly this week.

Science

Mrs. Rovenolt

They will take their Chapter 8 test: Geologic time, fossil record and human evolution. We will begin to examine the classification system for living things. This week's measurement activity will include a graphing exercise.

Spanish

Mrs. Bonilla

This week, we will begin chapter 3. Students will explain orally and in written form where they like to go. They will also understand how a verb IR is conjugated in Spanish.

STREAM: Science Technology Religion Engineering Art Math

Mr. Baker, Mrs. Rovenolt

Students in the video game programming group have started their video game and are quest solving professionals. Lego robot competition work has started; each week they will be given a new task.

United States History

Mrs. Whitmore

We will complete our unit on the Progressive Movement this week. Students will analyze primary source documents in preparation for their Progressive Movement Assessment.

P.E. / Health

Ms. Patty Piovane

In Health we continue our exploration of First Aid and CPR. In P.E. we focus on hockey: rules, techniques and fair play. The class will also investigate strength building activities.
