

Seventh Grade Newsletter

Religion

Ms. Piovane

We begin Chapter 7: "The Promise of Salvation" In this chapter the students will learn that God promised salvation through his Son, Jesus Christ, the Messiah.

Literature

Mrs. Schoening

How do I make the best impression during an interview? What can I say during an interview if I am a teenager and have never held a job? We explore these questions this week and put into practice what we learn. We continue reading *The Pigman*.

Math

Mr. Zepnikowski

In Algebra, we will film our inequalities project. We will continue to solve complex inequalities. This week's theme is absolute value inequalities.

In Pre-Algebra, we will solve more complicated equations. We will learn how to solve multi-step equations, and create our own equations. We will receive our project in connection with World Hunger.

Music

Mrs. Smith (Mrs. Dufield-substitute)

Students will begin to identify how music began in Gregorian chant and how it evolved. They will be able to identify which era of music is played by the end of class based on certain characteristics of the style.

Grammar/ Writing

Mrs. Schoening

We will finish the pronouns this week and will review units 4-6 in vocabulary. There will be a quiz on Friday.

Art

Ms. Hudson

Students will complete their piece of Op-Art focused around their initials. We will include proper shading techniques and use of shadow to suggest a three-dimensional image.

Science

Mrs. Rovenolt

The students will finish the First Quarter Project, an electronic poster board in Discovery Education on Mitosis. We will explore DNA and the marvels of genetic diversity.

Spanish

Mrs. Bonilla

This week, We will work on the vocabulary of chapter 1 and its use. They will learn to describe themselves and others.

STREAM: Science Technology Religion Engineering Art Math

Mr. Baker, Mrs. Rovenolt

The students will finish their travel presentation and begin work on a group cookbook representing their travels. The project will culminate in a celebration on 17 October during STREAM.

United States History

Mrs. Whitemore

We will begin working on understanding the push and pull factors of immigration in the early 20th Century. Students will be given a family history project to complete.

P.E. / Health

Ms. Patty Piovane

We participate in cooperative games. We will focus on teamwork, sportsmanship and skill refining activities. In Health we continue to investigate "Stress" utilizing LifeDojo. Please ask your student to share this exciting app with you.
