

Seventh Grade Newsletter

Religion

Ms. Piovane

We continue Chapter 3: "The Blessed Trinity." In this chapter the students will learn that the Blessed Trinity is the mystery of the loving relationship of one God in three Divine Persons.

Literature

Mrs. Schoening

The class will work on and turn in their project for *The Girl with the White Flag*. The class will be introduced to bitstrip and will use this on-line tool to help tell their own narrative essay. There will be a test on the narrative unit Monday Sept. 15.

Math

Mr. Zepnikowski

In Algebra, we will learn what a matrix is. We will learn how to perform operations on them. One of the tools we will use to perform operations is M & M Mathematics.

In Pre-Algebra, we will learn how to use exponents and what exponents mean. We will perform all the operations with exponents.

Music

Mrs. Smith

Students will identify the form of the song being used for the PCRS music video and begin reconstructing the lyrics.

Grammar/ Writing

Mrs. Schoening

This week we will review adjectives and prepositions. The class will complete a word web to organize their thoughts for the oral narrative presentations. The presentation will given by Friday.

Art

Ms. Hudson

Seventh Graders will finish drawing facial features on their self-portraits this week, and will begin to paint their skin tones.

Science

Mrs. Rovenolt

We will Ustream the four components of blood. After a brief overview of the top ten origins of life theories, the students will put their own thoughts into words on "Where did we come from?"

Spanish

Mrs. Bonilla

This week, we will continue using numbers 1-100. We will introduce the verb "Gustar" and its use.

STREAM: Science Technology Religion Engineering Art Math

Mr. Baker, Mrs. Rovenolt

With their destinations firm, the students must create a google map of their travels. This spatial exercise will confirm they are not wasting time or money on unnecessary travel. This week's game day will be American History Trivial Pursuit.

United States History

Mrs. Whitmore

We finish studying Westward Expansion by looking at the impact it had on Native Americans. Students will be given the opportunity to analyze first hand accounts of the Trail of Tears.

P.E. / Health

Ms. Patty Piovane

In Health we continue to investigate "Stress" utilizing LifeDojo. Please ask your student to share this exciting app with you. We explore our fitness goals and participate in physical fitness testing.
