

## Seventh Grade Newsletter

### Religion

#### Ms. Piovane

We begin Chapter 5: "Jesus Christ, The Good News" In this chapter the students will learn the good news that God sent his only Son, Jesus Christ, to save us.

---

### Literature

#### Mrs. Schoening

The class will work on and turn in their project for *The Girl with the White Flag*. The class will be introduced to bitstrip and will use this on-line tool to help tell their own narrative essay. There will be a test on the narrative unit Monday Sept. 15.

---

### Math

#### Mr. Zepnikowski

In Algebra, we will begin work on equations. We will solve equations of increasingly difficulty. We will work on our project this week.

In Pre-Algebra, we will continue our work with exponents to prepare us for solving order of operations problems.

---

### Music

#### Mrs. Smith

Students will review and identify the parts of the recorder, proper playing position, the staff, bar lines, measures, quarter and half notes and rests. Students will also review, identify on the staff and play notes B-A-G on the recorder.

---

### Grammar/ Writing

#### Mrs. Schoening

This week we will review adjectives and prepositions. The class will complete a word web to organize their thoughts for the oral narrative presentations. The presentation will given by Friday.

### Art

#### Ms. Hudson

After a great art class last week, this week we'll add details to our self-portraits using markers, colored pencils, and oil pastels.

---

### Science

#### Mrs. Rovenolt

We will use BrainPop to jump start out learning about the Cell Theory and the men responsible for it. This introduction leads to organelles or parts of a cell and their functions.

---

### Spanish

#### Mrs. Bonilla

This week, We will continue to use the verb "Gustar" and its use. Learn to describe what they like and do not like to do.

---

### STREAM: Science Technology Religion Engineering Art Math

#### Mr. Baker, Mrs. Rovenolt

The students created a google map of their daily travels. They will compare their maps to their projected itinerary. This week's game day will be American History Trivial Pursuit.

---

### United States History

#### Mrs. Whitmore

We will be exploring inventions of the early 1900's. Students will examine how these inventions have had a lasting impact on American society.

---

### P.E. / Health

#### Ms. Patty Piovane

We participate in cooperative games. We will focus on teamwork, sportsmanship and skill refining activities. In Health we continue to investigate "Stress" utilizing LifeDojo. Please ask your student to share this exciting app with you.
